

KHARYLLE DE LEON

ABOUT ME

I am a college student before, studied Bachelor of Information Technology at System Plus College Foundation. Through my college education, I have honed critical thinking, problem-solving, and communication skills that are highly transferable to & the fast-paced environment of a call center. My rigorous academic training has prepared me to effectively analyze complex issues and provide solutions efficiently. I am enthusiastic about applying my Computer knowledge and skills to excel in a call center role, where I can contribute to providing exceptional customer service and support. I am eager to leverage my academic background and adaptability to excel in the dynamic and diverse environment of a call center.

EXPERIENCES

YES-O President and Member

San Ignacio Elementary School, 2015-2018

Francisco G Nepomuceno Memorial High School, 2018-2022

I organizes environmental projects, raises awareness, promotes sustainability, and collaborates with the community.

Araling Panlipunan (treasurer) and English Club

Francisco G Nepomuceno Memorial High School, 2021-2022

As a member of the Araling Panlipunan (Social Studies) and English clubs, I engage in various activities related to these subjects, such as discussions, presentations, debates, and cultural events. These clubs provide opportunities to deepen my understanding of both subjects and enhance my communication skills in English.

LIGAYA (Outreach School Program)

Angeles City Science High School, May 10, 2023

As a member of the "Ligaya" outreach program, I've helped distribute necessities, organized workshops, and provided medical aid, bringing joy to communities in need. Seeing their smiles motivates us to keep serving with compassion.

MATH SOCIETY

Angeles City Science High School, 2022-2024

As a member of the Math Society, I engage in activities such as problem-solving competitions, math talks, tutoring sessions, and community outreach programs aimed at promoting interest and proficiency in mathematics among students and the wider community.
